How to Request Carrie's Books at Your Library

Do you enjoy my books? Then I need your help! As an author, I want my books to be in the most places possible, and that includes libraries! If you carry a library card and make a personal request to your library, it can have a significant impact.

How can you request your library carry Carrie's books?

- Usually one or more people are designated to make purchases for your library. If you know a library buyer, consider making a personal request.
- If your library has a website, chances are they also have a form where you can request a book be purchased. Here are some places I've found links to the forms:
 - **Main Page→All the way at the bottom, link called "Suggest a Title"**
 - **Main Page→Ask Us Page→Link called "Purchase"**
 - **Main Page→Books & More Menu→Link called "Suggest a Purchase"**
 - **You can also use the search function for "Purchase" or you can "chat" or call your local library to ask how to suggest a purchase.**

What about Carrie's eBooks? The solution is Overdrive!

If your library is connected to Overdrive, you can:

1. Log in to your library's Overdrive site with your library card number and pin.
2. Search for the title of the book you want to suggest.
3. Click the "Add Titles You Can Recommend" button at the bottom of the search results.
4. Find the title you want, hover over the cover, and click the "Recommend" button.
5. Choose "Notify Me by Email If My Library Purchases This Title, But Do Not Place Me on the Holds List." Or "Place Me on the Holds List If My Library Purchases This Title and Email Me When My Hold is Available."
6. Enter your email address.
7. Click "Recommend This Title."
