

Potential Questions, Fiction Perspective

1. Fear seems to crop up in several of your stories, to different degrees. Is this intentional? Why do you keep writing about it?
2. What other themes seem to repeat themselves within your books or characters?
3. Out of all the stories you've written, which one is your favorite? Why?
4. You've raised three kids, homeschooled, stay active in other activities, write books—how do you do it all?
5. You tend to keep things pretty simple in your writing, and the stories short. Is this intentional? Why?
